

LFI SCHOOL BUSES SAFETY PROTOCOL ON COVID 19

(Based on the KHDA and Dubai Municipality Guidelines)

LFI transport highest priority is the students' health and safety. In these challenging times, a new set of safety protocols were implemented in the aftermath of the corona virus pandemic. These safety protocols were strictly adhere based on the standard guidelines issued by the KHDA and Dubai Municipality.

BUS TRANSPORTATION TEAM

All the transportation team composes of bus supervisors; drivers and attendants are well trained and fully aware on the preventive measures against corona virus. All of our staff must obtain a negative result of PRC test before the academic year will start. Our daily operation starts with checking the staff body temperature. Drivers and attendants with ≥ 37.5 °C and were ≥ 60 years of age are not fit to work and must stay at home. Wearing of face mask and face shield are required at all times.

BUS SANITATION AND DISINFECTION

Each bus has a thermal scanner and hand sanitizer. Before each trip, buses were sanitized with a sanitizing machine using a disinfectant approved by the Dubai Municipality. Sanitizing machine is designed to sanitize the bus AC, seat belts, arm rests, handles, rails etc. Proper ventilation in the bus is ensured at all times. Bus attendants were trained to avoid air recirculation. Windows will be partially open whenever it's possible.

BUS SEAT PLAN AND CAPACITY

Each bus is limited with 50 percent on its seating capacity. Bus chairs were labeled as guidance and each student's has an assigned seat until the end of the academic year.

CHECKING OF TEMPERATURE

Prior on boarding the bus, the attendant will check and record the student's body temperature. Student with a temperature of ≥ 37.5 °C are not allowed to board the bus. Student's temperature will be re-checked by the bus attendant during the journey. As the students arrived at the parking, they will be guided directly to the school gymnasium for the thermal screening. Students with normal body temperature will go directly to their class assembly area and those students who have elevated body temperature will be temporarily stayed at the gymnasium holding area.

FACE MASKS

All the students older than 6 years old must wear a face mask at all times. Those pupils younger than 6 years were exempted.

HAND SANITIZERS

Each bus has a hand sanitizer. All the students must practice proper hand sanitation before boarding the bus. Every student is encouraged to bring their own hand sanitizer at all times.

SOCIAL DISTANCE

Social distancing must be strictly implemented while boarding, during the trip and even in disembarking the school bus. Students are not allowed to change seat during the journey.

SIGNAGE AND POSTERS

Educational and precautionary measures signage and posters against corona virus will be posted inside the bus in order to promote personal hygiene and to stop the spread of corona virus.
