

ONE HARMONY

A One Of A Kind Choir

*Blending Music With Stage
Presence and Artistic Expression*

I'll Be the Change

ONE HARMONY Choir proudly performs a multilingual repertoire, with a strong emphasis on Arabic alongside English and other world languages. Their program includes popular songs as well as meaningful pieces that carry messages of peace, unity, and empowerment. The choir also performs its own original anthem, *"I'll Be the Change,"* inspiring young voices to believe in their role as changemakers.

Talents not only perform on prestigious stages but also gain valuable experience in studio recordings, developing versatility as performers. Through this journey, they strengthen their stage presence, confidence, and cultural appreciation, while finding a supportive and inspiring community that nurtures their self-expression.

The sign contains the title 'THE MAGIC OF THE MUSICALS' in large, bold, gold letters. Below the title is a paragraph of text and a video button. At the bottom right, there is a large, stylized musical note.

TANIA KASSIS

Founder & Artistic Director of ONE HARMONY

Her name is heard in high places such as the Olympia in Paris, the Sydney Opera House in Australia, the United Nations Headquarters in Geneva, Duomo Square in Milan, the Qalaa Festival in Cairo, the Cedars International Festival in Lebanon and Expo 2020 Dubai among others .

Her enthralling voice and her musical style have reached countries all around the world including France, the United States, Canada, Australia, Brazil, Argentina, Colombia, Venezuela, Italy, Belgium, Switzerland, Egypt, the United Arab Emirates, South Korea... and her native land Lebanon.

Granted the Lebanese Accomplishment Medal and winner of two Murex d'Or Awards in 2015 and 2021, crossover singer Tania Kassis embodies the new age of cultural beauty and has recently been described as the Golden Voice in Egypt when she sang at the Opening of the New Capital in the presence of President Abdel Fatah el Sisi.

She believes in the power of music to spread unity through singing and so she included choirs in most of her productions and many of her recordings like in 2016 when she launched her humanitarian song “Land For All” In collaboration with the United Nations.

Also in 2018, she was invited to perform for the Tolerance Festival under the patronage of Sheikh Nahyan at the Etihad Museum in Dubai and in 2021, she was invited by Expo 2020 Dubai and the Holy See Pavilion to perform on Christmas Eve. She shined with thousand lights promoting World Peace through her powerful songs.

In 2022, she launched the song “Imaratou, Qalba el Arabi Wal Sahara” dedicated to the United Arabs Emirates, with the support of AMSI Voices.

Three of her songs have reached Number 1 in the Official Lebanese Top 20: Shu Mkhabbat el Layl (in 2018), Zaman (in 2021) and Chou Baddou (in 2022).

Tania Kassis strongly believes that singing is a wonderful tool for healing and encourage people to experience this beautiful feeling even late in age, without any previous experience. This is why she also created a Community Choir where kids and adults of all levels and all nationalities can sing together.
