Art as a passport to discover the world

Artistic & cultural programme • Year 1 to Year 6

Every week, your child sets off to a new destination around the world — and comes home proud of an artwork they created with their own hands.

HOW DOES IT WORK?

**Every week,
a brand new
destination**

A secret mission

They discover

A country through its colours, shapes, landmarks and cultural traditions.

Then they create

Painting, collage, relief, sculpture, drawing or mixed media — art at the heart of every session.

They leave proud

Each child goes home with their own creation — unique, personal, and presented to the group.

Two levels, one shared artistic adventure

Year 1 • Year 2 • Year 3

Building confidence through creating

- Templates and adapted materials
- Accessible cutting and collage
- Simple painting and patterns
- A proud result in 90 minutes

Philippines Workshop • Collage & Volume

Year 4 • Year 5 • Year 6

Going further

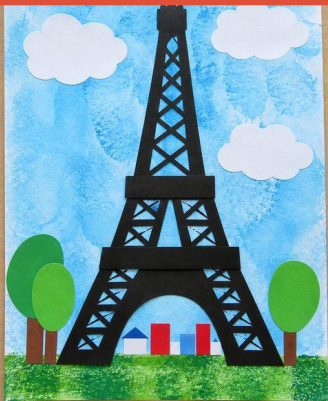

- More detailed composition
- Relief, volume and mixed media
- Greater autonomy and precision
- A genuine personal artistic vision

Tunisia Workshop • Painting & Texture

The youngest build their confidence by creating

Every creation is personal — there is no single "right" result.

END-OF-SESSION PHOTO

One artwork. One story. One memory.

MY ARTWORK • MY PRIDE

A photo with their artwork transforms the workshop into a lasting memory

At the end of the mission...

The child presents their creation, explains one artistic choice, then poses with their artwork in front of the group.

The photo can be added to the travel journal, keeping a record of progress across every country visited.

The journal gathers discoveries and emotions

A keepsake that grows with the child

It ties together the artwork, the photo, the words learned, and what the child enjoyed most.

By the end of the programme, it tells the full creative journey — from the very first country to the last.

By creating, children develop so much more
